RECEIVING GUIDANCE OR ADVICE

We think you should get financial advice or guidance before making any decisions regarding your pension savings, to help fully understand your options.

Pension Wise guidance

Due to the importance of receiving guidance, the government introduced regulations to highlight Pension Wise. Pension Wise is a free and impartial government service from www.moneyhelper.org.uk offering you guidance on your pension savings and the options available to you. The regulations recommend you take guidance from an independent pension specialist at Pension Wise and appointments are available by phone or face to face.

You can book online at moneyhelper.org.uk/pensionwise or call them on 0800 138 3944. Alternatively call us on 0345 604 4001 (call charges will vary) and we'll book an appointment for you.

Please have your product number to hand when you call us, as we'll ask you for it

Advice

Before making any decisions about taking your pension benefits you should also get advice from a financial adviser. If you don't have a financial adviser, you can visit moneyhelper.org.uk/choosing-a-financial-adviser to find one.

The regulations require you, or your adviser if they're completing the form on your behalf, to confirm the following options before we can proceed with your transaction. If you plan to take guidance and/or advice you should do this before completing this form.

3 Risk Warnings for Annuity Purchase

Please answer the following question.

Prior to applying to take or transfer benefits have you taken advice from an authorised adviser?

☒ Yes please go to section 5.

☒ No* please answer the below questions to highlight the risks.

* Having considered the matter, I will not be seeking financial advice and accordingly I wish to deal with Curtis Banks on an execution-only basis on making the application to take or transfer benefits. As an execution-only client I confirm that I have received all relevant key features documents, including personal illustration(s).

The Financial Conduct Authority requires us to make sure you have considered the potential risks of accessing your pension benefits. We are required to ask questions about your circumstances, so that we can provide warnings about the risks which might apply to you.

Once we have received your answers to the below questions, we will send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your retirement benefits until we have received this signed declaration. We can accept scanned copies by fax 0370 414 8000 or by email benefitsteam@suffolklife.co.uk.

Please note that this exercise is only intended to highlight potential risks to you - your answers won't affect your options.

Guaranteed income

Annuities offer a guaranteed income, but in drawdown there is no guarantee about the amount of income you might be able to take in the future. This is because the available income depends on your fund value, which is affected by many factors, such as investment performance. Are you comfortable with there being no guarantee of future income in drawdown?

☒ Yes

☒ No/unsure

Tax

Aside from your tax free cash entitlement, any money you take from your pension is taxed as income. It is added to any other taxable income you receive during the tax year, and might push you into a higher tax bracket. It is also possible that the tax we deduct from any payments is not the final amount due; you may need to pay additional tax at the end of the year.

Are you confident that you fully understand the tax implications of the option you've chosen?

☒ Yes

☒ No/unsure

Investment scams

Some investment scams encourage people to withdraw money from their pensions in order to invest elsewhere. For example, they may offer unusually high rates of return, special offers, or there may be pressure to act quickly. The schemes can appear very genuine, but you risk losing some or all of your money. Are you aware of how to protect yourself from investment scams?

☒ Yes

☒ No/unsure

Health

Annuities provide a guaranteed income for life and although the return may appear low, if your life expectancy is reduced because of poor health you may qualify for enhanced annuities which pay better rates. Are there aspects of your health or lifestyle which could make you consider whether you are potentially eligible for a better value annuity?

☒ Yes

☒ No/unsure

Inflation

When planning your long term income needs you need to take into account of future inflation, which will erode the buying power of your money. For example, if inflation is 2% p.a., £1 today will be worth 82p in 10 years time. If you are planning to take a level of income or a large lump sum from your pension, do you understand that inflation will erode the value of what will be available for you in the future?

☒ Yes

☒ No/unsure

Debt

Are you aware that money taken from your pension could be available to creditors in respect of any unpaid debts you might have?

☒ Yes

☒ No

Benefits

Are you aware that taking money from your pension could affect your entitlement to means-tested benefits? Means tested benefits include, housing benefit, council tax deductions, income support, Universal Credit, income-based jobseeker's allowance and any benefit that pays for long term care.

☒ Yes

☒ No

Ongoing Income

Any money taken from your pension now will reduce the amount that may be available to you in the future. Are you expecting this pension to provide you with income for the rest of your life?

☒ Yes/unsure

☒ No

3 Risk Warnings for Annuity Purchase (Continued)

Contributions

The annual allowance is the maximum amount you, or anyone on your behalf, can contribute to your pensions each year without incurring a tax charge. It is currently £40,000. If you take income whilst in flexi-access drawdown, your annual allowance for 'money purchase' pensions, such as your SIPP, will be reduced to £4,000. Are you, or anyone on your behalf, likely to contribute more than £4,000 to money purchase pensions in the future?

<input checked="" type="checkbox"/>	Yes/unsure
<input checked="" type="checkbox"/>	No

Further investment

If you withdraw money from your pension to invest elsewhere, the charges on the new investments may differ from the charges applicable to your pension. The new investments are also likely to be subject to income tax and capital gains tax, whereas investments in your pension are exempt from these charges. If you plan to invest your money elsewhere, do you understand the difference in charges and how this could affect the value?

<input checked="" type="checkbox"/>	Yes/not applicable
<input checked="" type="checkbox"/>	No/unsure

Inheritance tax

Money taken from your pension becomes part of your estate, which will be assessed for inheritance tax purposes on your death. Money in your pension is held outside your estate and is highly unlikely to be subject to inheritance tax. Have you considered the inheritance tax implications of taking money from your pension?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure

Shopping around

There are several ways in which you can access your pension savings. Different products, with different options and charges, are available from various providers. We recommend that you research the options available to you. Are you happy that you've researched your options and have made an informed choice?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure

Beneficiaries

When you die, the remaining money in your pension can pass to beneficiaries, such as a spouse or other family members. Any money you take from your pension will reduce the amount which may be available to them on your death. Are you relying on this pension to provide for your beneficiaries when you die?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure
