Before making any decisions about taking your pension benefits you should also get advice from a financial adviser. If you don't have a financial adviser, you can visit **moneyhelper.org.uk/choosing-a-financial-adviser** to find one.

The regulations require you, or your adviser if they're completing the form on your behalf, to confirm the following options before we can proceed with your transaction. If you plan to take guidance and/or advice you should do this before completing this form.

Please make sure you answer the following questions.

1 Have you had advice from a financial adviser relating to this transaction in the last 12 months?

Curtis Banks will not give you advice about the suitability or otherwise of crystallising all or part of your Cofunds Pension Account plan(s) by the taking of a pension commencement lump sum and taking income under capped drawdown.

We strongly advise you to seek financial advice before proceeding, especially if you're unsure how your current or future needs may influence your decision.

Please ensure you have read and answered the relevant questions in section 5.

Section 2: Allowances

Before taking retirement benefits (also known as crystallising) from your plan we are required to determine what you have remaining of the following two allowances:

- Lump Sum Allowance (LSA)
- Lump Sum and Death Benefit Allowance (LSDBA)

Please note, if you had a Benefit Crystallisation Event (BCE) prior to 5 April 2024, which used some lifetime allowance and where you did not receive a tax-free lump sum of 25%, you may be entitled to a transitional tax-free amount certificate.

A transitional tax-free amount certificate will reduce the allowances used by your previous benefits where a 25% tax-free lump sum was not taken. Where lifetime allowance has been used previously, without a transitional tax-free amount certificate we're required to assume a 25% tax-free lump sum was paid and will reduce the allowances accordingly.

We recommend you discuss this with an adviser before you contact a scheme administrator to request a certificate.

For further details on allowances, please refer to our website. If the total value of your retirement benefits taken, both now and previously, exceeds either allowance we will contact you to confirm how you wish to proceed.

We will not be able to pay your benefits unless this section is completed and the requested documents received.

Section 3: Capped Drawdown Requirements (continued)

3C. OPTIONS FOR MAKING REGULAR INCOME PAYMENTS

If you have an active sell down option we can use this to fund your regular income payments by selling units from your largest fund. Alternatively you can select to set up a sell down option by completing either Option 1 or 2 below.

Aegon will calculate whether you have enough money in your product cash facility to cover any related payments due to go out that month.

If the calculation shows that you will not have enough money in your product cash facility to meet the required payments, on the ninth business day of the month we will sell enough units from your investments to raise the required amount. However, in some instances, including but not limited to when unusually large numbers of instructions are received, the sale may be placed on the subsequent business day at the next available valuation pricing time. Please note: you will not receive a confirmation notice for each sell down, it will appear on your statement.

For more information on income sell down options and how the process works, please refer to the Aegon Platform terms and conditions, or speak to your adviser.

If your product cash facility has less than the income payment amount required, Aegon will effect a sale of units as per your instruction.

If you do not have an active sell down option and you do not complete the boxes below we will set up a sell down option to sell from your largest value fund. When you choose Option 1 or Option 2, we'll also take this instruction when deducting charges from the product.

Option 1 – Largest Value Fund (Default)

☐

A sale of units from your largest value fund held within your Cofunds Pension Account.

Option 2 – Nominated Fund

You can nominate a fund from which units are to be sold. If, at the time of calculation, we cannot raise enough to meet payments from your nominated fund (or your nominated fund is not available for trading at that time), we will check to see if the required amount can be raised from your largest value fund.

By ticking this box, you confirm that you understand that even if you do not proceed with your drawdown application, we will still charge the audited valuation fee. Section 4: Expression of Wish

You should complete this section to tell us who you wish to receive benefits from your plan if you die.

Please confirm how you would like your beneficiaries to be updated:

- ☐ I would like the current beneficiaries for my non-drawdown funds to apply to the drawdown funds.
- ☐ I would like the beneficiaries below to apply to all of my pension funds.
- ☐ I would like the beneficiaries below to apply to my drawdown funds only.

You should complete this form to tell us who you wish to receive benefits from your plan if you die.

If you wish to name more beneficiaries than the spaces allow for, please continue on a separate sheet and attach it to this form.

Please refer to the Terms and Conditions for your plan details of the different ways death benefits may be received.

4A. DECLARATION

Please read the declaration before entering details of beneficiaries.

On my death, I wish the scheme administrator to pay any benefits from my plan(s) to the beneficiaries, and in the proportion set out.

I accept that this is only an expression of my wishes. I understand that whilst the scheme administrator will pay due consideration to those wishes, they have absolute discretion as to the beneficiary(ies) and to the proportions of benefits paid to each beneficiary unless otherwise provided by law.

I understand that if the scheme administrator chooses a beneficiary who has not been named in sections 4B or 4C, drawdown income would normally only be available in limited circumstances. Therefore, in addition to the above named beneficiaries, in order to allow the administrator to pay drawdown income to as wide a range of beneficiaries as possible and for the purposes of the relevant tax legislation, I nominate any individual who is eligible to receive a lump sum on my death under the rules of the scheme.

I understand that I can change the beneficiaries at any time and that the scheme administrator will refer to the last completed form held.

Section 5: Risk Warnings

<input checked="" type="checkbox"/>	Yes please go to section 6.
<input type="checkbox"/>	No* please answer the below questions to highlight the risks of capped drawdown.

* Having considered the matter, I will not be seeking financial advice and I wish to deal with Curtis Banks on an execution-only basis on making the application to take benefits under capped drawdown. As an execution-only client I confirm that I have received all relevant key features documents, including personal illustration(s).

The Financial Conduct Authority requires us to make sure you have considered the potential risks of accessing your pension benefits. We are required to ask questions about your circumstances, so that we can provide warnings about the risks which might apply to you.

Once we have received your answers to the below questions, we will send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your capped drawdown request until we have received this signed declaration. We can accept copies by, fax 0370 414 8000 or email to benefitsteam@suffolklife.co.uk if this is more convenient for you.

Section 5: Risk Warnings (continued)

Guaranteed income

Annuities offer a guaranteed income, but in drawdown there is no guarantee about the amount of income you might be able to take in the future. This is because the available income depends on your fund value, which is affected by many factors, such as investment performance. Are you comfortable with there being no guarantee of future income in drawdown?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure

Tax

Aside from your tax-free lump sum entitlement, any money you take from your pension is taxed as income. It is added to any other taxable income you receive during the tax year, and might push you into a higher tax bracket. It is also possible that the tax deducted from the payment is not the final amount due, you may need to pay additional tax at the end of the year. Are you confident that you fully understand the tax implications of the option you've chosen?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure

Investment scams

Some investment scams encourage people to withdraw money from their pensions in order to invest elsewhere. For example, they may offer unusually high rates of return, special offers, or there may be pressure to act quickly. The schemes can appear very genuine, but you risk losing some or all of your money. Are you aware of how to protect yourself from investment scams?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure

Health

Annuities provide a guaranteed income for life and although the return may appear low, if your life expectancy is reduced because of poor health you may qualify for enhanced annuities which pay better rates. Are there aspects of your health or lifestyle which could make you consider whether you are potentially eligible for a better value annuity?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure

Inflation

When planning your long term income needs you need to take into account of future inflation, which will erode the buying power of your money. For example, if inflation is 2% p.a., £1 today will be worth 82p in 10 years time. If you are planning to take a level of income or a large lump sum from your pension, do you understand that inflation will erode the value of what will be available for you in the future?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure

Debt

Are you aware that money taken from your pension could be available to creditors in respect of any unpaid debts you might have?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No

Benefits

Are you aware that taking money from your pension could affect your entitlement to means-tested benefits?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No

i
Means tested benefits include, housing benefit, council tax deductions, income support, Universal Credit, income-based job seekers allowance and any benefit that pays for long term care.

Ongoing income

Any money taken from your pension now will reduce the amount that may be available to you in the future. Are you expecting this pension to provide you with income for the rest of your life?

<input checked="" type="checkbox"/>	Yes/unsure
<input checked="" type="checkbox"/>	No

Further investment

If you withdraw money from your pension to invest elsewhere, the charges on the new investments may differ from the charges applicable to your pension. The new investments are also likely to be subject to income tax and capital gains tax, whereas investments in your pension are exempt from these charges. If you plan to invest your money elsewhere, do you understand the difference in charges and how this could affect the value?

<input checked="" type="checkbox"/>	Yes/not applicable
<input checked="" type="checkbox"/>	No/unsure

Section 5: Risk Warnings (continued)

Inheritance tax

Money taken from your pension becomes part of your estate, which will be assessed for inheritance tax purposes on your death. Money in your pension is currently held outside your estate and is not currently subject to inheritance tax. Have you considered the inheritance tax implications of taking money from your pension?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure

Shopping around

There are several ways in which you can access your pension savings. Different products, with different options and charges, are available from various providers. We recommend that you research the options available to you. Are you happy that you've researched your options and have made an informed choice?

<input checked="" type="checkbox"/>	Yes
<input checked="" type="checkbox"/>	No/unsure

Beneficiaries

When you die, the remaining money in your pension can pass to beneficiaries, such as a spouse or other family members. Any money you take from your pension will reduce the amount which may be available to them on your death. Are you relying on this pension to provide for your beneficiaries when you die?

<input checked="" type="checkbox"/>	Yes/unsure

Once we have received your answers to the below questions, if required, we may send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

<input checked="" type="checkbox"/>	No please answer the below question in relation to the investments in your plan.

Investment Pathways is a process defined by the Financial Conduct Authority to assist individuals in selecting investments for their drawdown funds. This guidance aims to make you aware of the drawdown choices you can make, and how your investment decisions can be tailored to fit with your financial goals. Alternatively, you can telephone 0800 011 3797.

Please select one of the below 3 options to confirm how you wish to select the investments for your pension:

Option 1

<input checked="" type="checkbox"/>	Use Investment Pathways
-------------------------------------	-------------------------

Where you have selected option 1, please select one of the below Investment Pathway options that corresponds most closely to your current intentions:

<input checked="" type="checkbox"/>	I have no plans to touch my money in the next 5 years
<input checked="" type="checkbox"/>	I plan to use my money to set up a guaranteed income (annuity) within the next 5 years
<input checked="" type="checkbox"/>	I plan to start taking my money as a long-term income within the next 5 years
<input checked="" type="checkbox"/>	I plan to take out all my money within the next 5 years.

Section 7: Declaration

HM REVENUE & CUSTOMS WARNING

It is a serious offence to make false statements. The penalties are severe. False statements could lead to prosecution.

Before signing the declaration for your own benefit and protection you should read carefully the following:

- This declaration;
- Cofunds Pension Account Charges Sheet;
- Key Features of the Cofunds Pension Account; and
- Terms and Conditions of the Cofunds Pension Account

These documents together form the agreement upon which, Suffolk Life Pensions Limited, as provider of the Cofunds Pension Account, intend to rely. If you do not understand any point then please ask your adviser.

DECLARATION

I confirm that I have received and agree to be legally bound by the Aegon Platform terms and conditions, the Terms and Conditions of the Cofunds Pension Account, this declaration, the Cofunds Pension Account Charges Sheet and the Key Features of the Cofunds Pension Account.

I elect to receive the maximum available tax-free lump sum unless I confirm to you in writing that I want to receive a lower amount.

I acknowledge that all capped drawdown designations for each pension will be held in one arrangement and one maximum limit is set for this arrangement. If in future I elect to designate further amounts for the provision of capped drawdown this limit will need to be recalculated.

I acknowledge that the valuation date for the additional designation to capped drawdown is the latest of:

- The date on which you receive the completed capped drawdown application; or
- The date of receipt of the final transfer in/contribution set out in my initial application form from which I wish to take benefits

I understand that where I have elected to take income this will be apportioned equally across the whole drawdown arrangement, and I cannot elect to take income from funds that were crystallised at a specific designation.

I authorise you to deduct any tax charges from my plan that relate to my pension from my pension.

Where applicable, I authorise Curtis Banks to provide my details to MoneyHelper.

I confirm, where a tax-free lump sum is payable, that I will not be recycling the lump sum as described below.

Lump sum recycling is defined in Schedule 29 of the Finance Act 2004 and is where a tax-free lump sum is paid by a registered pension scheme and:

- As a result of this the amount of the contributions from all sources is more than 30% of the contributions that might have been expected based on previous contributions; and
- The recycling was pre-planned; and
- The amount of the total tax-free lump sum paid in the previous 12 months exceeds £7,500; and
- The cumulative amount of the additional contributions exceeds 30% of the tax-free lump sum payment.

I wish the scheme administrator to pay any death benefit in accordance with Section 4 of this application and agree to the declaration therein.

I declare that to the best of my knowledge and belief the statements made in all sections of this drawdown form (whether in my handwriting or not) are correct and complete.

I understand that once all of my pension has been designated for the provision of drawdown:

- Any further contributions or undrawn transfers will require the establishment of a new pension
- Any further drawdown transfer will require a new arrangement for each transfer
- Any further drawdown designations can only be to flexi-access.

I have supplied all the necessary information and documentation requested to enable Curtis Banks to determine my remaining Lump Sum Allowance and Lump Sum and Death Benefit Allowance..

I understand that where the sell down option has been selected, it will be Aegon and not Curtis Banks who shall be responsible for ensuring this instruction is processed.

I understand that you may undertake a search with a reference agency for the purposes of verifying my identity and age. To do so, the reference agency may check the details I supply against any particulars on any database (public or otherwise) to which they have access. They may also use my details in the future to assist other companies for verification purposes. A record of the search will be retained as an identity search.
