## RECEIVING GUIDANCE OR ADVICE

We think you should get financial advice or guidance before making any decisions regarding your pension savings, to help fully understand your options.

### Pension Wise guidance

Due to the importance of receiving guidance, the government introduced regulations to highlight Pension Wise. Pension Wise is a free and impartial government service from [moneyhelper.org.uk](http://moneyhelper.org.uk) offering you guidance on your pension savings and the options available to you. The regulations recommend you take guidance from an independent pension specialist at Pension Wise and appointments are available online, by phone or face to face.

You can book online at [moneyhelper.org.uk/pensionwise](http://moneyhelper.org.uk/pensionwise) or call them on 0800 138 3944. Alternatively call us on 0345 604 4001 (call charges will vary) and we'll book an appointment for you. Please have your product number to hand when you call us, as we'll ask you for it.

### Advice

Before making any decisions about taking your pension benefits you should also get advice from a financial adviser. If you don't have a financial adviser, you can visit [moneyhelper.org.uk/choosing-a-financial-adviser](http://moneyhelper.org.uk/choosing-a-financial-adviser) to find one.

**The regulations require you, or your adviser if they're completing the form on your behalf, to confirm the following options before we can proceed with your transaction. If you plan to take guidance and/or advice you should do this before completing this form.**

Section 2

Allowances

Before taking retirement benefits (also known as crystallising) from your plan we are required to determine what you have remaining of the following two allowances:

- Lump Sum Allowance (LSA)
- Lump Sum and Death Benefit Allowance (LSDBA)

Please note, if you had a Benefit Crystallisation Event (BCE) prior to 5 April 2024, which used some lifetime allowance and where you did not receive a tax-free lump sum of 25%, you may be entitled to a transitional tax-free amount certificate.

A transitional tax-free amount certificate will reduce the allowances used by your previous benefits where a 25% tax-free lump sum was not taken. Where lifetime allowance has been used previously, without a transaction tax free amount certificate we're required to assume a 25% tax-free lump sum was paid and will reduce the allowances accordingly.

We recommend you discuss this with an adviser before you contact a scheme administrator to request a certificate, as once a certificate has been issued it cannot be revoked and must be applied to future crystallisations.

For further details on allowances, please refer to our website. If the total value of your retirement benefits taken, both now and previously, exceeds either allowance we will contact you to confirm how you wish to proceed.

We will not be able to pay your benefits unless this section is completed and the requested documents received.

## Section 4

## Expression of wish

### 4A. Who should receive benefits?

You should complete this section to tell us who you wish to receive benefits from your plan if you die.

Please confirm how you would like your beneficiaries to be updated:

<input type="checkbox"/>	I would like the current beneficiaries for my non-drawdown funds to apply to the drawdown funds (go to Section 5, if applicable).
<input type="checkbox"/>	I would like the beneficiaries below to apply to all of my pension funds.
<input type="checkbox"/>	I would like the beneficiaries below to apply to my drawdown funds only.

**i** Please refer to the Aegon Platform terms and conditions for your plan details of the different ways death benefits may be received.

### 4B. Declaration

#### Please read the declaration before entering details of beneficiaries.

On my death, I wish the scheme administrator to pay any benefits from my plan(s) to the beneficiaries, and in the proportion set out.

I accept that this is only an expression of my wishes. I understand that whilst the scheme administrator will pay due consideration to those wishes, they have absolute discretion as to the beneficiary(ies) and to the proportions of benefits paid to each beneficiary unless otherwise provided by law.

I understand that if the scheme administrator chooses a beneficiary who has not been named in sections 4C or 4D, drawdown income would normally only be available in limited circumstances. Therefore, in addition to the named beneficiaries, in order to allow the administrator to pay drawdown income to as wide a range of beneficiaries as possible and for the purposes of the relevant tax legislation, I nominate any individual who is eligible to receive a lump sum on my death under the rules of the scheme.

I understand that I can change the beneficiaries at any time and that the scheme administrator will refer to the last completed form held.

## 4C. Details of Beneficiaries

### Guaranteed income (not required for switches from capped to flexi-access drawdown)

Annuities offer a guaranteed income, but in drawdown there is no guarantee about the amount of income you might be able to take in the future. This is because the available income depends on your fund value, which is affected by many factors, such as investment performance. Are you comfortable with there being no guarantee of future income in drawdown?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

### Tax (not required for switches from capped to flexi-access drawdown)

Aside from your tax-free lump sum entitlement, any money you take from your pension is taxed as income. It is added to any other taxable income you receive during the tax year, and might push you into a higher tax bracket. It is also possible that the tax deducted from the payment is not the final amount due, you may need to pay additional tax at the end of the year. Are you confident that you fully understand the tax implications of the option you've chosen?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

### Investment scams

Some investment scams encourage people to withdraw money from their pensions in order to invest elsewhere. For example, they may offer unusually high rates of return, special offers, or there may be pressure to act quickly. The schemes can appear very genuine, but you risk losing some or all of your money. Are you aware of how to protect yourself from investment scams?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

### Health

Annuities provide a guaranteed income for life and although the return may appear low, if your life expectancy is reduced because of poor health you may qualify for enhanced annuities which pay better rates. Are there aspects of your health or lifestyle which could make you consider whether you are potentially eligible for a better value annuity?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

### Inflation

When planning your long term income needs you need to take into account of future inflation, which will erode the buying power of your money. For example, if inflation is 2% p.a., £1 today will be worth 82p in 10 years time. If you are planning to take a level of income or a large lump sum from your pension, do you understand that inflation will erode the value of what will be available for you in the future?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

**Debt**

Are you aware that money taken from your pension could be available to creditors in respect of any unpaid debts you might have?

☒ Yes

☒ No
**Benefits**

Are you aware that taking money from your pension could affect your entitlement to means-tested benefits?

☒ No
**Ongoing income**

Any money taken from your pension now will reduce the amount that may be available to you in the future. Are you expecting this pension to provide you with income for the rest of your life?

☒ Yes/unsure

**Contributions**

The annual allowance is the maximum amount that you, or anyone on your behalf, can contribute to your pensions each year without incurring a tax charge. It is currently £60,000. If you take income whilst in flexi-access drawdown, your annual allowance for money purchase pensions, such as your Cofunds Pension Account, will reduce to £10,000. Are you, or anyone on your behalf, likely to contribute more than £10,000 to money purchase pensions in the future?

☒ Yes/unsure

☒ No

**i** Means tested benefits include, housing benefit, council tax deductions, income support, Universal Credit, income-based jobseeker's allowance and any benefit that pays for long term care.

**Further investment**

If you withdraw money from your pension to invest elsewhere, the charges on the new investments may differ from the charges applicable to your pension. The new investments are also likely to be subject to income tax and capital gains tax, whereas investments in your pension are exempt from these charges. If you plan to invest your money elsewhere, do you understand the difference in charges and how this could affect the value?

☒ Yes/not applicable

☒ No/unsure
**Inheritance tax (not required for switches from capped to flexi-access drawdown)**

Money taken from your pension becomes part of your estate, which will be assessed for inheritance tax purposes on your death. Money in your pension is currently held outside your estate and is not currently subject to inheritance tax. Have you considered the inheritance tax implications of taking money from your pension?

☒ Yes

☒ No/unsure
**Shopping around**

Any money you take from your pension will reduce the amount which may be available to them on your death. Are you relying on this pension to provide for your beneficiaries when you die?

## Investment Pathways

The Financial Conduct Authority requires us to make sure you have considered the potential risks of holding more than half of your plan in cash and/or cash like assets. Examples of cash like assets are funds which are held in a current or deposit account and certain Government bonds.

We are required to ask questions about your investment intentions, so that we can provide warnings about the risks which might apply to you. Once we have received your answers to the below questions, if required, we may send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your flexi-access drawdown request until we have received this signed declaration. We can accept copies by fax 0370 414 8000 or email to [benefitsteam@suffolklife.co.uk](mailto:benefitsteam@suffolklife.co.uk) if this is more convenient for you.
