3.2 Access to Medical Reports Act 1988

3.2.1 Where we require an **insured person's** consent for the purposes of complying

3.2.2 When you provide the **insured person's** consent under clause 3.2.1, **you** warrant that **you** will:

- b. without prejudice to the generality of clause 5, pass on all information that **we** require **you** to make available to the **insured person** before **you** ask the **insured person** to provide their consent;

- d. inform **us** immediately if the **insured person** withdraws their consent, **you** receive information suggesting that the **insured person** may wish to withdraw their consent or if **you** receive a complaint or become aware of any issue in relation the consent.

3.2.3 Where **you** provide consent under clause 3.2.1, **you** warrant that **you** will retain evidence of the **insured person's** consent and how it was obtained and that **you** will provide such evidence to **us**, the doctor who has been asked to complete the medical report or the **insured person** within 5 business days of request for any reason, including to allow **us** to respond to complaints that **we** receive or to satisfy ourselves that **your** procedures are sufficiently robust.

3.2.4 In the event that **you** receive a complaint or claim relating to consent provided under clause 3.2.1, **you** will:

- a. as soon as reasonably practicable give written notice to **us**, specifying in reasonable detail the nature of the claim or the complaint;

The provisions of clause 4.17 will also apply.

4 Remuneration

4.1 Commission payment

4.1.1 Subject always to these terms of business, applicable **FCA** disclosure requirements and to the extent permitted by **FCA** rules (particularly regarding **adviser charge/consultancy charge** and remuneration in **COBS** Chapter 6), **we** will credit or pay commission on **business** **you** submit to **us**, and which **we** accept, except where **you** have told **us** that **you** do not require commission to be paid.

4.1.2 **We** may publish detailed commission terms at any time, which will apply to all **business** placed after publication, and which are available on request. This will not prevent **us** from providing bespoke commission terms in any circumstances that **we** deem appropriate.

4.1.3 **We** may vary such commission terms and any discount rate applicable to commission payable on indemnity terms

as **we** see fit without notice of any such variation to **you**.

4.1.4 Where **our** commission terms provide for a choice of different commission options, when **you** submit an item of **business**, **you** must tell **us** the basis on which **you** require commission to be paid for that item of **business**. If **you** don't, **we** will pay commission on such basis as **we** consider appropriate in the circumstances.

4.1.5 **We** will only pay initial commission once in respect of any **business** submitted and accepted. If two or more advisers claim commission in respect of the same piece of **business**, the commission will normally be paid to the adviser recognised by the **client** as their agent at the time when the application for **business** is completed or the increment to the **product** is submitted to **us**.

4.1.6 Where **we** consider that it is appropriate to pay commission to an adviser who **we** believe is providing advice or services to the **client**, **we** may do so, at **our** sole discretion, based on such terms and conditions as **we** will deem appropriate at the time.

4.2 Own life business

4.2.1 **We** reserve the right not to pay commission, or to restrict the amount of commission **we** pay to **you** in the following circumstances:

- a. where **you** or any of **your close family** or **associates** are the applicant for **business** or the **plan holder**; or
- b. where the applicant for **business** or the **plan holder** is **close family** or **associate** of an employee of **your** firm, or where such similar relationship as **we** may determine, falls within this category from time to time.

4.2.2 If **you** are a firm, **we** reserve the right not to pay **you** indemnity commission on the lives of any of the principals of the firm or on the lives of **close family** or **associates** of the principals of the firm.

4.2.3 **We** will not pay commission for any other **business** where **we** reasonably believe that the primary purpose for

it is to generate commission and is not a genuine long-term investment. If **we** reasonably believe that commission has been paid or credited to **you** on any such **business** it will be immediately repayable.

4.2.4 **We** will pay only non-indemnity or level commission on protection business on **your** life.

4.2.5 **You** must tell **us** at the time of applying for **business** whether **you** or any of the people mentioned at sub clause 4.2.1 are the applicant or **plan holder** in respect of the **business**.

4.2.6 Where **you** are the applicant for **business** or **plan holder** under sub clause 4.2.1a, **we** will not facilitate the payment of **adviser charge** or **consultancy charge** to **you** through the **product**.

4.3 Indemnity commission terms

4.3.1 When **you** and **we** agree in writing, **we** will pay initial commission on indemnity terms for each piece of **business** **you** submit, in accordance with **our** indemnity terms applicable from time to time, details of which are available on request.

4.3.2 **Our** practice as to whether to pay indemnity commission for **business** will depend on the **product**. Please contact **your** usual Aegon representative if **you** want to know what **our** normal practice is for any particular **product**. Where **we** have granted indemnity terms to **you**, if **you** ask for it, **we** will pay the total amount of initial commission, discounted in accordance with **our** indemnity terms applicable from time to time, on acceptance of the **business** and on receipt of the first **premium** and when **premiums** are increased to a level higher than ever previously paid.

4.3.3 Where **we** pay commission on indemnity terms, it is conditional upon it being earned. If **premiums** stop (other than on death) or the **premium** reduces during an initial period relating to the whole or part of the **premium** then that commission will, in whole or in part, be deemed not to have been

earned. In such circumstances **you** will repay, or **we** will otherwise recover from **you**, the unearned commission calculated in accordance with **our** indemnity terms from time to time.

4.3.4 **We** will tell **you** of a non-payment of **premium** as soon as it is practicable to do so. If **you** do not repay the unearned commission within three months of **us** telling **you**, **you** will have to pay interest on the debt at the rate of at least 0.67% a month compound, or at such other rate which **we** deem appropriate from time to time, from the date on which **premiums** stopped being paid.

4.3.5 Where **business** is reinstated, and where it is **our** practice to pay commission to an adviser resulting from the reinstatement, **we** will pay the commission to the adviser whose advice or actions, in **our** sole discretion, were instrumental in leading to the reinstatement. **Our** practice as to whether to pay commission for reinstated **business** will depend on the **product**. Please contact **your** usual Aegon representative if **you** want to know what **our** normal practice is for particular **products**.

4.3.6 **We** reserve the right to withdraw indemnity commission terms and pay non-indemnity commission whenever the amount of **your** unearned indemnity commission liability exceeds such sum as **we** may deem appropriate, or otherwise as **we** may determine from time to time.

4.4 Establishment commission terms

4.4.1 When **you** and **we** agree in writing, **we** will pay establishment commission in accordance with **our** establishment commission terms applicable from time to time, details of which are available on request.

4.4.2 **Our** practice as to whether to pay establishment commission for **business** will depend on the **product**. Please contact **your** usual Aegon representative if **you** want to know what **our** normal practice is for any particular **product**. Where **we** pay commission on establishment commission terms, it

is conditional upon it being earned. If **premiums** stop (other than on death) or the **premium** reduces during an initial period relating to the whole or part of the **premium** then that commission will, in whole or in part, be deemed not to have been earned. In such circumstances **you** will repay, or **we** will otherwise recover from **you**, the unearned commission calculated in accordance with **our** establishment commission terms from time to time.

- 4.4.3 **We** will tell **you** of a non-payment of **premium** as soon as it is practicable to do so. If **you** do not repay the unearned commission within three months of **us** telling **you**, **you** will have to pay interest on the debt at the rate of at least 0.67% a month compound, or at such other rate which **we** deem appropriate from time to time, from the date on which **premiums** stopped being paid.
- 4.4.4 Where **business** is reinstated, and where it is **our** practice to pay commission to an adviser resulting from the reinstatement, **we** will pay any commission resulting from the reinstatement to the **adviser** whose advice or actions, in **our** sole discretion, were instrumental in leading to the reinstatement. **Our** practice as to whether to pay commission for reinstated **business** will depend on the **product**. Please contact **your** usual Aegon representative if **you** want to know what **our** normal practice is for particular **products**.
- 4.4.5 **We** reserve the right to withdraw establishment commission terms whenever the amount of **your** unearned commission liability exceeds such sum as **we** may deem appropriate, or otherwise as **we** may determine from time to time.
- 4.5 **Single premium commission**
- 4.5.1 **We** will pay commission to **you** in respect of certain single premium **business** placed by **you**, on the condition that the single premium **business** remains in force for a specified period of time. **Our** practice as to whether to pay commission for single premium **business** will depend on the **product**. Please contact **your** usual Aegon representative if **you** want to know what **our** normal practice is for any particular **product**.
- 4.5.2 If **you** do not repay the unearned commission within three months of **us** telling **you**, **you** will have to pay interest on the debt at the rate of at least 0.67% a month compound, or at such other rate which **we** deem appropriate from time to time, from the date on which the single premium **business** ceased to remain in force.
- 4.5.3 **We** will only pay **you** commission for group pension **business** from 31 December 2012 if **you** confirm that for single **premiums** and transfers from other pension schemes prior to that date, an agreement was in place with the **employer** to cover future advice given to its employees, and that agreement is to continue without change.
- 4.6 **Trail commission**
- 4.6.1 Subject to **FCA** rules, sub clauses 4.6.2 and 4.12, **we** will pay trail commission to **you** in relation to certain **business**. **Our** practice as to whether to pay trail commission will depend on the **product**. Please contact **your** usual Aegon representative if **you** want to know what **our** normal practice is for any particular **product**.
- 4.6.2 Where it is **our** practice to pay trail commission, **we** will continue to pay it from 31 December 2012 where:
- a. **you** have given the **client** a **personal recommendation** before 31 December 2012, and there is a clear link between the trail commission and the **personal recommendation**;
- or

b. we accepted non-advised business before 31 December 2012.

4.7 Adviser charge and consultancy charge

4.7.1 We have agreed to facilitate the payment of **adviser charge** or **consultancy charge** from a **product**, or to require **Capita** to facilitate the payment of **adviser charge** from a **SIPP**. Where **we** do this, **we** (or **Capita**, as appropriate) will make the deductions in line with the **adviser charge/consultancy charge** terms and conditions, and **our charge deduction instruction**, and then facilitate the onward payment to **you** of the amount deducted. Where **you** want **us** to facilitate the payment of **adviser charge** or **consultancy charge** from the insured funds within one of **our products**, **you** must use **our 'insured' charge deduction instruction**. Where **you** want **us** to facilitate the payment of **adviser charge** from the **SIPP**, **you** must use the '**SIPP**' **charge deduction instruction**.

4.7.2 In performing this role, **we**, or **Capita** (as appropriate), will be acting as **your** agent for the sole purpose of transferring to **you** the amount, equal to the **adviser charge** or **consultancy charge** that **we** have deducted. This means that the **client's** liability to **you**, in respect of the **adviser charge** or **consultancy charge** they have entered in the **charge deduction instruction**, will be discharged as soon as **we** have deducted the **adviser charge** or **consultancy charge** from the **product**, and the **adviser charge** or **consultancy charge** becomes a debt that **we** owe to **you**. This is subject to sub clauses 4.11.1, 4.13 and 4.17.

4.7.3 If **you** are no longer authorised under the **Act**, **we** will continue to facilitate the payment of initial **adviser charge** or initial **consultancy charge**, where **we** have received a **charge deduction instruction** that has not been revoked. **We** will stop paying

ongoing **adviser charge** and ongoing **consultancy charge** from the date of de-authorisation.

4.8 Appointed representatives

If **you** appoint an agent or **appointed representative**, commission, **adviser charge** and **consultancy charge** will be paid to **you**, and **you** will be liable to repay any commission, **adviser charge** and **consultancy charge** owed to **us** under sub clause 4.13. This also applies where **we** pay monies to **your** order. It is agreed that **we** will have no direct contractual relationship with such agent or **appointed representative**.

4.9 Premium payment

All **premiums** must be remitted to **us** without deduction of commission, **adviser charge** or **consultancy charge**.

4.10 Termination of commission payment

4.10.1 Subject to sub clauses 4.3, 4.4, 4.5 and 4.6, **we** will stop paying **you** trail commission and any type of phased commission including level commission, fixed percentage of **premium** and fund/surrender value related commission in the following circumstances:

- when **you** die (if a sole trader);
- if **you** or **we** terminate this agreement;
- if **you** enter into a voluntary arrangement with **your** creditors, any steps are taken in relation to bankruptcy or winding-up proceedings against **you**, the appointment of a receiver or an administrative receiver over **your** assets, or **you** enter into liquidation (whether voluntary or compulsory);
- if **you** are no longer authorised under the **Act** or steps are being taken to de-authorise **you**, or **you** otherwise become, in **our** opinion, unable to provide ongoing advice in connection with the **product** to which the commission payment relates;

- e. where, in **our** opinion, **you** are no longer the **client's** agent even though **you** may still be authorised;
- f. where, in **our** opinion, **you** are no longer providing ongoing advice or services to the **client** in connection with the **product** to which the commission payment relates;
- g. where, in **our** reasonable opinion, another adviser is entitled to the remuneration for the **product**;
- h. where the **adviser** or its book of **business**, is sold to another adviser;
- i. where in **our** reasonable opinion, **we** suspect the **adviser** of fraud;
- j. where the **client** terminates the **product** to which the remuneration relates; or
- k. where **we** are notified by a **client** that a **product** is to be removed from **your** agency account.

4.10.2 **We** will only accept written notification of a change of adviser.

4.10.3 Where **we**, having regard to the particular circumstances relating to any case or cases, consider that it is appropriate to continue paying commission to an **adviser** who has ceased to be the **client's** agent in terms of the above paragraphs then, at **our** sole discretion, **we** may do so based on such terms and conditions as **we** will deem appropriate at the time.

4.10.4 If individual **products** are transferred from **your** agency account at the **client's** request, **you** will remain liable for any commission clawback on those **products** in relation to **business** submitted by **you**.

4.11 Cancellation rights

4.11.1 If a **client** exercises the right to cancel any **product** in terms of **COBS** Chapter 15 or any other statutory, regulatory or contractual right, no commission will be payable to **you** in respect of such **business**. Additionally, **we**, or **Capita**, as appropriate, will not facilitate the payment of future **adviser charge** or **consultancy charge** to **you** for that **product**.

4.11.2 In such circumstances, if the **client's product** is invested in insured funds, **we** will refund to the **client**:

- a. For regular **premiums**: the value, on the date of investment, of the units purchased with the **premium**.
- b. For single **premiums** and transfer payments: the value, on the date of cancellation, of the units purchased with the **premium**, taking into account any movement resulting from investment loss since the date of investment.

For the avoidance of doubt, **we** will never repay more than the original value of the **premium**. Any commission, **adviser charge** and/or **consultancy charge** already paid will be repaid by **you** immediately to **us**.

4.11.3 In relation to any **product**, where a **client** has a right to cancel as described in sub clause 4.11.1 then, in addition to those statutory, regulatory or contractual rights to cancel, **we** may allow **your clients** an extended right to cancel within a period of up to 30 days from the date of receipt by the **client** of a notice of cancellation specifying such a right to cancel. In the event that a **client** exercises an extended right of cancellation, no commission will be payable to **you** for such **business**. Additionally, **we** will not facilitate the future payment of **adviser charge** or **consultancy charge** to **you** for that **product**. Subject to sub clause 4.11.4, any commission, **adviser charge** and/or **consultancy charge** already paid will be immediately repayable to **us**.

4.11.4 If the **client** has a **SIPP**, the amount **we** will refund to the **client** depends on a number of factors:

- a. If the investments are held only within the **cash account** during the cancellation period and no trading has occurred, **we** will return any **premium** or transfer, less **adviser charge**, product and investment charges, to the person who paid it (for example to the client, their **employer**, a third party or another product provider for a transfer).

- b. If the client started trading within the cancellation period, they will be liable for transactional, product and investment charges, and any charges imposed by third parties such as investment managers or stockbrokers. In addition, if their investment has fallen in value before **we** received the cancellation request, they may get back less than they invested.

For the avoidance of doubt, **we** will never repay more than the original value of the **premium**, and all refunds will be net of **adviser charge** paid to **you**.

4.12 Change of adviser

4.12.1 Bulk transfers

- a. Where **you**:
 - i. are no longer authorised under the **Act** and have arranged for another adviser to provide the same (or a better) level of advice or service to **your** existing **clients**; or
 - ii. **your** book of **business** is sold to another adviser:

we will stop paying **you** any trail commission, ongoing **adviser charge** and/or ongoing **consultancy charge** from the date of transfer. **We** will pay to **you** any trail commission, ongoing **adviser charge** and/or **consultancy charge** due up to the date of transfer. **We** will pay the new adviser the trail commission **you** would have got if **you** had continued to be the adviser. Where the book of **business** is sold, **we** will pay the new adviser the **adviser charge** and/or **consultancy charge** agreed by the **client** to be paid to **you**, and from the date of sale these terms of business will apply to the new adviser.

- b. Sub clause a above is subject to the following conditions being met:
 - i. in relation to trail commission, **adviser charge** and **consultancy charge**, that the new adviser:
 - confirms in writing that it accepts all terms and conditions agreed between **you** and **us**

in relation to payment of remuneration and all **your** liabilities in relation to **business you** submitted, including the contingent liability to repay to **us** any unearned commission paid on indemnity terms to **you**;

- has an active agency account with **us**; and

ii. **we** have agreed in writing to the transfer taking place

iii. in relation to **adviser charge** and **consultancy charge** only, that:

you confirm in writing to **us** that **you** and the new adviser have agreed that the same (or a better) level of ongoing service is being provided to the **clients** being transferred in return for the **adviser charge** and/or **consultancy charge** being transferred and that **you** have notified all of the **clients** in writing of the change to their adviser.

- c. Subject to sub clauses 4.3 to 4.6, if **you** have had another adviser's group pensions **business** transferred to **you**, **we** will only pay **you** commission for that **business** from 31 December 2012 if **you** confirm that for single **premiums** and transfers from other pension schemes prior to that date, an agreement was in place with the **employer** to cover future advice given to its employees, and that agreement is to continue without change.
- d. Before **we** pay any commission to the new adviser after the date of transfer, **we** will deduct any sums **you** owe **us** in respect of **business you** submitted up to the date of transfer.

4.12.2 Appointment of a new adviser

- a. Where the **client** terminates his relationship with **you** and appoints a new adviser, from the date of the change:
 - i. **we** will pay the new adviser the trail commission **you** would have got if **you** had continued to be the

adviser; and

- ii. we will continue paying **you** **adviser charge** and/or **consultancy charge** due to **you**, unless the **client** asks **us** not to. **We** will start facilitating the payment of **adviser charge** and/or **consultancy charge** to the new adviser when **we** receive a new **charge deduction instruction**.

4.13 Repayment of commission, adviser charge or consultancy charge

4.13.1 In addition to, and without prejudice to any other terms in these terms of business, no commission will be payable to **you** and **you** will repay to **us** any commission, **adviser charge**, and/or **consultancy charge** already paid to **you**, together with interest at the rate specified in sub clauses 4.3.4 and 4.4.3, above accruing from the date of payment of the commission, **adviser charge** or **consultancy charge** until the date of repayment, in the following circumstances:

If, as result of either a complaint by the **client** against **you**, or an order by a court, ombudsman, and/or any regulatory body, **we** have to either refund **premiums**, or to pay out the current fund value of the investment either directly to the **client** or to a third party on behalf of the **client**.

4.13.2 Any commission, **adviser charge** or **consultancy charge** already paid will, be immediately payable to **us** by **you**:

- a. Where **we** don't receive cleared funds in relation to the **client's premium** and **we** have to cancel the **client's product**.
- b. Where **we** make a payment to **you** for an amount that **you** are not entitled to, for example, due to an error, overpayment, cancellation or early termination of the **product**.

4.14 Frequency of payments of commission, adviser charge and consultancy charge

4.14.1 Subject to sub clauses 4.10.4, 4.17 and clause 16 **we** will pay **you**

commission or facilitate the payment of **adviser charge** or **consultancy charge** at such intervals as **we** may agree, and normally not less frequently than twice monthly. If the amount of commission, **adviser charge** and **consultancy charge** payable at any time is less than £100 sterling, **we** may retain the sum until the total amount payable exceeds that figure.

4.14.2 **We** will not pay interest on any remuneration that **we** hold pending payment of it to **you**.

4.15 Value Added Tax

4.15.1 **We** will make all commission payments to **you** inclusive of Value Added Tax ('VAT') (if applicable).

4.15.2 **We** will treat all **adviser charge** and **consultancy charge** instructions **we** receive as being inclusive of any applicable VAT. It is **your** responsibility to determine the VAT treatment of charges made and **we** will not be responsible for any error made in relation to this. If the prevailing rate of VAT changes, it is **your** responsibility, and not **ours**, to assess whether the amount of **adviser charge** or **consultancy charge** also needs to change.

4.16 Statements

We will issue **you** with regular statements of account. These may be contained in writing, on disk, on tape, in direct online communication to a computer terminal, or any other method of communication agreed between **us** and **you**. These statements will be the conclusive record of commission, **adviser charge** and **consultancy charge** payable to **you**, except in the case of manifest error or omission.

4.17 Set off

We reserve the right to set off the payment of commission, **adviser charge** or **consultancy charge** **we** owe to **you** against any debt owed by **you** to **us** or another company in the **Aegon Group**. If **you** hold more than one agency account with **us**, **we** reserve the right to set off one agency account against another

for monies owed to **us** or another company in the **Aegon Group**.

4.18 Debt reporting

If, at any time, **you** owe **us** a debt incurred as a result of the claw-back of indemnity commission, **adviser charge** or **consultancy charge**, or any other debt, including any which **we** have to report to the **FCA** under the **FCA's** rules, then **we** reserve the right to pass this information to other financial institutions and to third parties providing data gathering information services on their behalf. For example, **we** will supply information about the existence of the debt and the amount of the debt to the Elixir 2000 database maintained by Crif Decision Solutions Limited.

4.19 General

4.19.1 **You** acknowledge when **you** are applying for an agency account with **us**, that **we** will conduct due diligence on **you** from time to time. **We** may require financial guarantees from principals, directors or other suitable guarantors when setting up an agency with **you** or when **your** agency is in force.

4.19.2 **You** must comply with all relevant regulatory and legislative requirements relating to **business** submitted to **us** and, in particular, with those rules regarding disclosure in respect of commission, **adviser charge** and **consultancy charge**.

4.19.3 Without prejudice to sub clauses 4.1 to 4.18 above, matters relating to commission, **adviser charge** and **consultancy charge** payable or provided by **us** to **you** will be subject to the rules of the **FCA**.

5 Documentation

You must pass on immediately, without amendment, any documentation or communication which **we** supply for the benefit of, or completion by, the **client** or which the **client** provides in relation to the **business**.

6 Changing these terms of business

6.1 **We** reserve the right to change the terms contained in these terms of business. **We** do not have to send **you** a formal written notification

of any changes. The changes will be posted on **our** appropriate websites and will take effect, subject to sub clause 6.2, no earlier than one month after posting on the website.

6.2 If the changes have to take effect earlier than the date in sub clause 6.1, in order to comply with any legislation (including delegated legislation and statutory instruments) or with the **FCA** rules, then they will take effect immediately. Such changes may affect **business you** place with **us** before the change to these terms of business is to take effect, but only to the extent required by **FCA** rules and legislation. If **you** do not accept any changes to **our** terms of business, **you** must contact **our** Commission Department to let **us** know that **you** want to terminate this agreement.

7 Anti-money laundering and financial crime prevention

7.1 The firm shall comply with all statutory and **Aegon Group** imposed requirements relating to anti-money laundering, tax evasion and financial crime prevention.

7.3 The firm consents to being relied on by **Aegon Group** within the meaning given in the **Money Laundering Regulations** for the purposes of applying client due diligence measures.

7.4 If requested, the firm must immediately provide to **Aegon Group** all information or evidence of identity data it has gathered about the clients and/or any beneficial owners and any other relevant information collected in applying client due diligence measures.

7.5 The firm undertakes to **Aegon Group** that it shall comply with all applicable laws relating to the prevention of financial crime, including without limitation, the Terrorism Act 2000, the Criminal Justice Act 1993, the **Money Laundering Regulations**, the Proceeds of Crime Act 2002, the Fraud Act 2006, the Bribery Act 2010, the Criminal Finance Act 2017, and all applicable requirements of the **FCA**.

7.6 The firm undertakes to immediately inform the **Company** if any criminal proceedings are brought against the firm or any individual of the firm.

8 Data protection/Use of information/data

8.1 You warrant that:

8.1.1 you have in place all necessary notifications in respect of your processing of personal data as required by **Data Protection Legislation**, as amended from time to time;

8.1.2 under relevant data protection legislation you have a suitable lawful basis for sharing the client's personal data with us

8.1.3 you will maintain adequate security measures to prevent any unauthorised access or disclosure of identifiers/certificates and associated passwords issued by us for access to our systems or those of a third party, such as portal service providers and back office software providers.

8.2 You acknowledge that we will be a **data controller** in respect of the information or data provided to us and will be entitled (either alone or in conjunction with any other party) to use and disclose such information or data in accordance with our business requirements from time to time and to carry out our obligations under any contract entered into either by or on behalf of the **client**. The purposes for which we may use and disclose such information or data will include, without limitation, conducting market research, preparing strategic or other marketing plans and exchanging information with another contracting party (for any such party's legitimate purposes or use).

8.3 Information about you, the conduct of you and your agency account with us will be processed and disclosed by us, and you consent to such processing and disclosure, in accordance with the purposes described in sub clause 8.2. You acknowledge that such information may be held on computer or in such other medium as we may use. We also reserve the right to provide such information to a credit reference agency, closed user group or computer bureau.

8.4 Should it become necessary for **client** data to be transferred outside of the European Economic Area (EEA), the transferring party shall be responsible for ensuring that its data protection registration allows it to do so, it has **client** consent to do so, and the data is protected to the same degree as if it was covered by **Data Protection Legislation** when it is outside of the EEA.

9 Service of documents

9.1 Any letter or other document will be deemed to have been served on you if it is sent by post or left at any address of your firm from which you have informed us, in writing, that you were last trading, or at your registered office (if appropriate).

9.2 Any letter or other document will be deemed to have been served on us if it is sent by post or left at our head office at Lochside Crescent, Edinburgh Park, Edinburgh, EH12 9SE.

9.3 Any letter or document sent by post will be deemed to have been served on the second **business** day following that on which it was posted and service will be sufficiently proved if there is evidence that the envelope containing the letter or document was properly addressed, stamped and posted.

10 Communication and electronic mail

10.1 You and we accept the integrity of all email messages and agree to accord these the same status as would be applicable to a document or to information sent other than by electronic means. You accept responsibility and liability for the completeness and accuracy of any email message you send us, and we will not be liable for any consequence of any inaccurate or incomplete communication from you.

10.2 You and we agree not to contest the validity or enforceability of email messages in any legal proceedings between us respecting or related to a transaction.

10.3 We may accept email or other electronic communications from or with you upon such terms and subject to such additional or separate conditions as we may consider appropriate or desirable from time to time. This is subject to the strict understanding on your part that we will not be held responsible if you do not receive such communications,

or part of them, or if they are delayed for any reason. Communications from **you** to **us** will be deemed to have been received by **us** when the communication is accessible by **us**.

10.4 If an email or other electronic communication is corrupted, **you** will re-transmit that communication as soon as possible to **us**, and tell **us** that it is a corrected communication.

10.5 Each time **you** access any information or systems **we** make available to **you**, **you** undertake and warrant that:

- a. **you** are authorised, registered and hold the necessary consents from **clients** to have such access and to process the information made available by **us**;
- b. **you** have in place appropriate technical and organisational security measures to ensure that the information is stored securely and not accessible to any unauthorised person;
- c. **you** have taken steps to ensure that the information will not be disclosed to anyone who is not authorised to receive the information; and
- d. the information will be used only for **your** legitimate **business** purposes and in compliance with **your** data protection registrations.

10.6 **We** may rely and act upon any instructions given to **us** by **you** electronically in relation to the **product** which purport to have been given by **you**, and which are accepted in good faith and without negligence on **our** part.

10.7 It is a condition that any identifier and associated password issued for the purposes of gaining access to **our** systems – or access to information about **our products** and services held on third party computers/systems – will be used prudently and kept secure. In particular, an identifier and the associated password will only be made known to persons authorised by **you** to hold such identifier and associated password. **You** are liable for all actions taken or authorised under the access codes of each user, regardless of the fact that another individual has accessed the computer/information/services (as appropriate) and that access was unauthorised by the user.

10.8 As a consequence, **you** are responsible for the confidentiality of each user's usernames and passwords and must take all reasonable steps to ensure that:

- a. they are kept secret from any individual other than the user;
- b. they are not shared with any other person or anyone else is allowed to use or see them;
- c. they are not written down or included in any electronic file available on the same computer from which access to **our** systems/services is gained;
- d. computer terminals are not left unattended whilst logged on to **our** systems/services;
- e. any information printed off from **our** systems/services is destroyed or securely stored; and
- f. access details are changed immediately if the user believes they have become known to another person.

10.9 **We** will not be liable for any claims or losses incurred as a result of carrying out transactions authorised by a user or by providing use of **our** systems/services/**platform** to users. **We** will not be held responsible for errors, failures, delays or transposition of information or instructions by the user.

10.10 **You** must tell **us** immediately if it is suspected that someone else has gained knowledge of the access details of a user or, if someone else has accessed **our** systems/services using the user's codes.

10.11 In consideration of receipt of any usernames and passwords from **us**, **you** indemnify **us** against all losses, claims, damages and expenses which may be suffered or incurred by **us** arising from or in connection with the failure by **you** or persons to whom usernames and passwords have been supplied by **us**, at **your** request, to keep confidential all usernames and passwords or for any breach of the terms of this section.

10.12 **We** provide any downloadable software at **your** and the user's own risk and will not be liable for any claims or losses whether directly or indirectly arising from use of **our** systems/services/**platform** that is not within **our** reasonable control.

10.13 Any investment tools software made available to **you** through the **platform** is to be used at **your** own risk. While reasonable care has been taken in the compilation of the data contained in the investment tools software it is not warranted to be accurate or complete.

10.14 We may record or monitor telephone calls to or from **us**. We will do so for any of the following reasons:

10.14.1 to provide evidence of a **business** transaction;

10.14.2 to ensure **we** comply with regulatory procedures;

10.14.3 to improve services; or

10.14.4 for **your** protection.

11 Applicable law

These terms of business will be governed and construed in accordance with the laws of the part of the United Kingdom in which **you** have **your** principal place of business.

12 Intellectual property/links to websites

12.1 **You** may not use any intellectual property owned by **us** without **our** prior written consent. In particular, **you** must not:

12.1.1 alter, deface or remove any reference to **our** trade marks, or any reference to **us** on any **product** documentation;

12.1.2 produce or distribute any documentation using **our** name, logos or other trade marks, unless supplied by **us**;

12.1.3 do, or authorise any third party to do, any act that would, or might invalidate or be inconsistent with any intellectual property right owned by **us**, or that would damage or adversely impact the value or reputation of any company within the **Aegon Group**; or

12.1.4 register or seek to register any intellectual property rights of **ours** in **your** name.

12.2 Nothing in these terms of business will operate to transfer the ownership of any intellectual property rights from **us** to **you**.

12.3 **You** warrant that:

12.3.1 all intellectual property rights in anything provided by **you** to **us** in

connection with our relationship belong to **you** and will continue to do so, or are validly licensed by **you**; and

12.3.2 **you** have the necessary consents to validly sub-licence to **us** **our** use of any intellectual property rights provided to **us** by **you**, in connection with our relationship, that do not belong to **you**.

12.4 We may permit **you** to link from **your** website(s) to websites owned or maintained by **us**, subject to **our** prior approval on the following basis:

12.4.1 **we** may withdraw or amend the permission at any time, in which case **you** must remove or suitably amend all links to **our** website(s);

12.4.2 **you** must link only to pages that **we** may permit from time to time;

12.4.3 **you** must not frame, post, modify or alter the appearance of **our** websites without **our** permission;

12.4.4 **you** must not state or imply that **we** endorse, sponsor or otherwise approve of **you**, **your** services or **your** website; and

12.4.5 **you** undertake to keep **your** website up to date and accurate in all material respects and must not include any material on **your** website that is illegal, obscene, defamatory or otherwise inappropriate.

13 Waiver and remedies

13.1 If either **you** or **we** fail to exercise, or delay exercising any right or remedy under these terms of business, that will not be held to be a waiver of that right or remedy. It will not prevent either of us exercising that, or any other right or remedy on another occasion.

13.2 The rights and remedies contained within these terms of business are cumulative, and except where **we** say otherwise, they do not exclude either **you** or **us** from enforcing other rights or seeking other remedies available at law, in equity or delict.

14 Severance

If any provision within these terms of business is held to be invalid, illegal or unenforceable by court, statute, **FCA** rule or

otherwise, that will not affect the validity and enforceability of the other provisions of these terms of business.

15 Assignment and rights of third parties

15.1 These terms of business are personal to **you** and **you** cannot assign them. **We** may assign these terms of business to any member of the **Aegon Group**. Each member of the **Aegon Group** will be entitled to recover any loss suffered by it in connection with these terms of business and generally to enforce these terms of business in its own right under the Contracts (Rights of Third Parties) Act 1999.

15.2 Except as set out in sub clause 15.1, a person who is not a party to these terms of business has no rights to enforce any term of this agreement between **you** and **us** and the Contracts (Rights of Third Parties) Act 1999 will not otherwise apply.

16 Obligations after termination

If **you** or **we** terminate the agreement between us, any obligation contained within these terms of business that **we** intend expressly, or by implication, to come into force, or continue in force, on or after the date of termination, will not be affected by the termination of the agreement. For the avoidance of doubt, **you** will remain liable to **us** for repayment of any debts arising under clause 4 before or after termination.

The actions and undertakings of the DFM remain **your** responsibility at all times.

- 3.3 Where **your client** appoints a DFM **you** undertake to provide **us**, on request, with a copy of the client agreement signed by all parties and detailing the name and **FCA** authorisation number of the DFM duly appointed and an instruction to deduct from **your client's product**, charges in respect of the DFM services.

- 4.3 We will pay to you the **adviser charge** that has been deducted on the following basis.
