

Lower charges

That's right, your new workplace retirement savings with Aegon will cost you less if you invest in the scheme's default fund.

You're all set with your new Aegon workplace pension and investing in the scheme's default fund will cost you less.

If you choose to invest in another fund, your charges could be different.

The annual charge on your new plan is made up of a service charge and an investment charge.

There may be other charges that we may vary in the future.
