Managing your retirement savings has never been easier

Retiready, our online service, enables you to securely manage your retirement savings on your mobile, tablet or laptop, any time you like. It gives you a complete picture of your workplace savings in a way that's easy to understand.

Retiready can help you become more knowledgeable about saving for retirement, so that you can make informed choices and take greater control of your financial future.

What you can do in Retiready

- View the value of your account.
- View your transactions and contributions.
- See how your account is invested and performing.
- Access fund information, such as fund factsheets, to help you decide where to invest your account.
- Access documentation in your online document store.
- Update your personal details.
- Learn about your choices at retirement and what you should be thinking about to reach your goals.
- Combine pension and Individual Saving Account (ISA) pots.

It only takes a few minutes to activate

Visit retiready.co.uk/public/getstarted.html

To get started, you'll need your 10-digit activation code that we sent you when you first joined the scheme. If you need your activation code re-sent, please contact 03456 081 680 (call charges will vary).

The Aegon UK app

Once you've registered on Retiready, after 24 hours, you can download and activate the Aegon UK app.

What you can do in the app

- View the value of your account.
- View your transactions and contributions.
- View a breakdown of your investments.
- Change funds.
- Update your personal details.
- Change your retirement age.

Thanks to the app you can check on your workplace savings wherever you are. Log in is quick and secure - you'll be able to use fingerprint or face recognition for added security.
