

Managing your retirement savings has never been easier

TargetPlan enables you to securely manage your retirement savings account on your mobile, tablet or laptop, any time you like. It gives you a complete picture of your retirement savings in a way that's easy to understand.

TargetPlan can help you become more knowledgeable about saving for retirement, so you can make informed choices and take greater control of your financial future.

What you can do in TargetPlan

- View the value of your account.
- View your transactions and contributions.
- See how your account is invested and performing.
- Access fund information, to help you decide where to invest your account.
- Access documentation in your online document store.
- Manage your personal details.
- Learn about your choices at retirement.

Our online retirement planning tool

Use myTarget to help you understand what your retirement income might look like. And if you're not on track, it can help you understand what you might need to do to help you achieve your target income.
