

COFUNDS PENSION ACCOUNT ADDITIONAL CONTRIBUTION FORM

for existing clients

Also available on the Aegon website:

Cofunds Pension Account Investment by Direct Debit form -
instruction to your Bank or Building Society to pay Direct Debits.

This form is to be used to make single contributions and start or amend regular contributions into a Cofunds Pension Account.

If you wish to amend the funds your existing regular investment is currently in you should complete a **recurring switch from cash form**. If you have not yet told us the funds you want to invest in or if you already have a product level default investment strategy please complete an **investment strategy instruction** to amend your fund choices.

Please complete this form and email to:

Section 5

Declarations and contribution authority

5A. I declare that

If the total contributions (personal, third party and employer) to my Cofunds Pension Account in the current tax year exceed the Annual Allowance, I confirm that I have sufficient unused Annual Allowance to carry forward from the previous three tax years. I understand that my Cofunds Pension Account is a money purchase scheme. If I have triggered the money purchase annual allowance and contribute more than £4,000 to my Cofunds Pension Account, I recognise that I will incur a tax charge and that I cannot use carry forward to mitigate this charge.

I have viewed the relevant product Key Features and fund specific information and/or Key Investor Information Documents (KIIDs) relating to my investment.

5B. I acknowledge that

The Aegon Platform terms and conditions are the standard terms upon which Aegon intends to rely, and it is important that I read the terms before agreeing to be bound by them. If there is any term or point I do not understand or do not wish to be bound by, I understand that I can request further information before signing this application.

There are fees (the Aegon Platform annual charge) for the use of Aegon's services. I authorise Aegon to collect these fees from my product cash facility. If there is insufficient money in my account, I authorise Aegon to sell enough of my platform assets to pay these fees in accordance with the Aegon Platform terms and conditions.

5C. Employer's Contribution Authority

This is only required if you are providing regular contributions.

I understand that I am obliged by the Pensions Regulator to provide a new Cofunds Pension Account Additional Contribution Form for any amendments to regular contributions into my employee's Cofunds Pension Account or if any employer or employee details change. By signing below I confirm I understand and accept the declaration above.

You have a duty to pay employee contributions to us by the 'payment due date'. This is the 19th of the month following the date of the deduction from pay. For example, a contribution deducted from pay on 5 May must be received by us no later than 19 June. We have a duty to report the late payment of any contribution that is of material significance to the Pensions Regulator.

5D. Notes

All relievable personal contributions must be made net of basic rate tax, which Curtis Banks will reclaim from HM Revenue & Customs and add to your Cofunds Pension Account. This can take up to 11 weeks.

Relevant UK individuals can contribute up to the higher of £3,600 or 100% of their relevant UK taxable earnings whilst benefiting from tax relief.

Non-relevant UK individuals who have been resident or had earnings chargeable to UK income tax in the last five years are entitled to contribute but will only receive tax relief on contributions up to £3,600 gross (£2,880 net). Non-relevant UK individuals are entitled to contribute but will not be entitled to any tax relief on contributions.

The annual allowance at 6 April 2017 is £40,000. If your income, including the value of any pension contributions, is over £150,000, your annual allowance may be reduced. Please speak to your adviser for further information. The money purchase annual allowance from 6 April 2017 is £4,000.

Your gross personal contributions in a tax year must not normally be more than your annual earnings and the total contributions (i.e. personal, third party and employer) must not normally be more than the annual allowance. If you exceed the annual allowance, you may be able to carry forward any unused Annual Allowance from up to three previous tax years. You will need to have been a member of a registered pension scheme in a tax year that you are carrying forward any unused Annual Allowance. It will be your responsibility to calculate the amount available to carry forward and Curtis Banks will apply for tax relief on the full amount of any personal contributions made by you or any other third party.

Contributions that are in excess of relevant UK earnings do not receive tax relief and do not count towards the Annual Allowance for the tax year in question.

Once you have triggered the money purchase annual allowance, contributions to your money purchase pension schemes must not exceed £4,000 per tax year. If you do exceed the money purchase annual allowance, you cannot carry forward unused allowance from previous tax years to mitigate the resulting tax charge. It will be your responsibility to determine whether you have exceeded the money purchase annual allowance.

Contributions cannot be made past your 75th birthday.

If you make contributions you will lose any enhanced or fixed protection you may have or apply for.

Contributions cannot be refunded without being unauthorised payments unless the contribution falls within HMRC's "genuine errors" guidelines or they are in excess of your relevant UK taxable earnings.

The tax treatment outlined in this document are based on our understanding of current tax law and may be subject to change. The tax treatment depends on your individual circumstances and may be subject to change in the future.

Electronic transfers

Personal and employer regular contributions cannot be accepted electronically into the Cofunds Pension Account and should be made by Direct Debit. For single contributions, please contact us to confirm the bank details to which payments should be sent. Cofunds require confirmation of the bank details from which payments will be made before contributions can be processed.

If this form is for regular contributions or has a fee entered, we require a client signature below. If this form is **only** for single contributions and no fees have been entered a client signature is not required, if Section 4B is signed by the adviser.
