About this form

In this form, 'I' and 'you' means the applicant detailed in section 1. 'We', 'us', 'our' and 'Aegon' means Aegon Investment Solutions Limited.

Use this form to withdraw part or all of the value of the General Investment Account (GIA) and pay the proceeds as a cash subscription relating to an inheritable Individual Savings Account (ISA) allowance, also known as an **additional permitted subscription (APS) allowance**, into an ISA. Please refer to section 9.1 for more information.

To make a withdrawal from more than one GIA, please complete a form for each account.

About inheritable ISA allowances

If you're a surviving spouse or registered civil partner of an ISA holder who died on or after 3 December 2014, you'll normally be entitled to an **APS allowance** (which is an additional ISA allowance over and above the normal ISA allowance). The **APS allowance** must be held with us before we can accept subscriptions against it and all subscriptions made in relation to the APS allowance must then be made to your ISA(s) held with Aegon.

Before completing this form

You must have received an illustration, Aegon Retirement Choices key features, Aegon Retirement Choices terms and conditions, and a Key Investor Information Document (KIID) or a key information document for each investment you are choosing before we can process your application. Please contact us on 0345 680 1234 to request an illustration. We'll send you the relevant documents along with your illustration. If the **APS allowance** has arisen from an ISA with another ISA account manager, and:

- You have an existing ISA, you must complete the Inheritable ISA allowance transfer authority form first. Once we confirm that we've applied the **APS allowance** to your ISA, please complete and send us this form
- You don't have an existing ISA, you must set one up first by completing both this form and the Inheritable ISA allowance transfer authority form and returning them to us

Additional information

If, in section 4.1, you choose to invest proportionally, or you complete the table in 4.2, the funds should match the illustration you received from us. If they don't, we may not be able to process your request. If you wish to invest in different funds, please contact us for a new illustration.

If you have a joint GIA, all joint holders must agree to the withdrawal, confirm that the funds being withdrawn belong to the ISA investor named in section 1, and sign and date the declaration.

The Aegon Retirement Choices terms and conditions will give you further detail around the conditions of withdrawing from your GIA and ISA products.

The stocks and shares ISA is a flexible ISA. This means when you make a withdrawal from your ISA you can replace it, in the same tax year, without it counting against your annual ISA allowance for the current tax year.

9. Additional terms and conditions relating to Inheritable ISA Allowance

The following clauses shall apply in addition to the Aegon Retirement Choices terms and conditions and other contractual documents. In this form, Aegon means Aegon Investment Solutions Limited.

9.1 Definitions

Additional permitted subscription (APS) – means a type of subscription available to an individual with an **additional permitted subscription allowance**.

Additional permitted subscription allowance – means an additional allowance over and above the normal ISA subscription limit available to the surviving spouse or registered civil partner of an ISA investor who died on or after 3 December 2014 where certain other conditions, as set out in the ISA Regulations, are met. The amount of this additional allowance depends on when the surviving spouse or registered civil partner starts to use the additional allowance as set out in the ISA Regulations.

Where the deceased ISA investor died on or before 5 April 2018, the **additional permitted subscription allowance** is limited to the value of the deceased investor's ISA at their date of death. Where the deceased ISA investor died on or after 6 April 2018 and the surviving spouse or registered civil partner starts to use the allowance during the period that tax benefits still apply to the ISA, the additional allowance will be based on the value of the deceased investor's ISA holdings with an ISA manager as at the date of their death. Where the deceased ISA investor died on or after 6 April 2018 and the surviving spouse or registered civil partner starts to use the additional allowance after the end of the period that the tax benefits apply, the additional allowance will be the higher of the value of the ISA at the date of the ISA investor's death and the value of the ISA at the end of the period that the tax benefits apply to the account. Where the deceased held a number of ISAs with the same ISA Manager, there will be a single **additional permitted subscription allowance** with that ISA Manager based on the combined values of those ISAs. If the deceased investor held ISAs with more than

one ISA manager as at the date of their death, provided all the necessary conditions are met, the surviving spouse or registered civil partner will have one **additional permitted subscription allowance** in relation to each of those ISA managers.

Permitted period – means the period, as set out in the ISA Regulations during which **APS allowance** subscriptions can be made to your ISA. Where the **APS allowance** subscription is in the form of non-cash assets (described further in 9.8 below), the period is 180 days from when the investments are distributed to you from your deceased spouse's or registered civil partner's estate. Where the **APS allowance** subscription is in the form of cash, the period runs from the date of your deceased spouse's or registered civil partner's death and ends on whichever is the later of three years after the start date 180 days after the administration of your deceased spouse's or registered civil partner's estate is complete. For the purpose of determining the **permitted period**, if your spouse or registered civil partner died on or after 3 December 2014 but on or before 5 April 2015, their date of death will be taken as 6 April 2015.

9.2 To be eligible to make **additional permitted subscriptions** to an ISA with Aegon you must:

- Be an individual
- Be aged 18 or over
- Be resident in the United Kingdom or, if not so resident, be performing duties as a Crown employee serving overseas and paid out of the public revenue of the United Kingdom (typically a serving member of the armed forces, or a diplomat), or be married to, or in a registered civil partnership with, such a person
- Have an **additional permitted subscription allowance** that has not been fully used
- Not have made any subscriptions in relation to that **additional permitted subscription allowance** to another ISA manager
- Be making the **additional permitted subscription** within the **permitted period**

9. Additional terms and conditions relating to Inheritable ISA Allowance – continued

- 9.3 On your first application to make an **additional permitted subscription** to an ISA in relation to an allowance arising from a deceased investor's ISA(s) with us, we will provide you with a statement of the **additional permitted subscription allowance** within 30 days of the day we receive all the information and declarations as required by the ISA Regulations.
- 9.4 On your first application to make an **additional permitted subscription allowance** to an ISA in relation to an allowance arising from a deceased investor's ISA with another ISA manager, we will contact that other ISA manager with the timescales set out in the ISA Regulations to obtain the information, declarations and undertakings specified in the ISA Regulations.
- 9.5 You can instruct us to transfer the investments in your ISA that relate to **additional permitted subscriptions** to another ISA manager, but you would have to make any further subscriptions relating to that **additional permitted subscription allowance** to your ISA with us.
- 9.6 To the extent that your subscriptions are **additional permitted subscriptions**, you are responsible for making sure you do not breach the **additional permitted subscription allowance** during the **permitted period**.
- 9.7 If you make subscriptions in excess of the current ISA subscription limits, as set out in the ISA Regulations or in excess of your **additional permitted subscription allowance** or if we are so instructed by HMRC, we will refund excess subscriptions to you.
- 9.8 Except where your **additional permitted subscription allowance** relates to a deceased investor's ISA with us, your subscription must be in cash. Where your **additional permitted subscription** relates to a deceased investor's ISA with us and you inherit non-cash investments held in the deceased investor's ISA with us at the date of their death, as long as those non-cash investments have been continuously held by us since the date of their death, you can ask us to make an 'in-specie' transfer to your ISA. This means we will re-register the investments (up to value of your **additional permitted subscription allowance**) into your ISA.
- 9.9 Where your ISA relates to **additional permitted subscriptions**, your application will be valid for the duration of the **permitted period**. Your application will remain valid until the end of the **permitted period** whether or not you make **additional permitted subscriptions** in each tax year falling with the **permitted period**.
